PERTINENT

"HURRY UPS"

Football Pointers by Famous Coach Yost.

Hurry up.
Hurry up and be the first man to line up.
Hurry all the time; football is not a slow or lazy man's game.
Hurry up; football is a game of hurry, hurry, hurry.
Hurry up if you are behind in any play. Then is the time you need most to hurry.

Hurry up and get into every play. Football is played by eleven men. Spectators are not wanted on the field; their place is in the grand stand.

Hurry up and be the first man down the field on a punt or kick-off.

Hurry up and help your own runner with the ball; never let him go it alone.

Hurry up and follow the ball. No one can play the game unless he is with the ball all the time.

Hurry up and fall on every fumble, either by your own side or an opponent. This is very important.

Hurry up and block your man hard when you should block.

Hurry up when given the ball for a gain. You must hurry or the opponents will be all over you in an instant.

Hurry up and learn your signals. You cannot play a fast game unless you know them instantly.

Hurry up and control your temper. If you cannot do this you had better quit the game.

Hurry up when you are about to be tackled. Put on more "go." Don't slow up, for this is the time of all others when you need all your speed.

Hurry up and do not talk unless you are the captain or the quarter back. You are in the game to act.

Hurry up and do as your coach and trainer advise you. If you know more about the game than they do, it is time for you to quit.

Hurry up and always block out inside man if you are playing on the line of scrimmage.

Hurry up and get versatile. Do not be a machine player in your individual position.

Hurry up when meeting an interference and go into it low. It is so much more easily stopped.

Hurry up and stop every play of the opponents before it gets started. Tear through and get the runner behind the opponents' line. Never wait for him.

Hurry up and tackle the runner. Do not expect anyone else to do it. See to it that you throw him towards his own goal.

Hurry up and score in the first few minutes of the game, before your opponents realize what is going on.

Hurry up and line up the instant the ball is dead. The delay of one man in taking his place will completely ruin fast play.

Hurry up and line up. The next play cannot start until all are ready.

Hurry up and play football. Do not shut for slugging prevents any man from playing the team play that he should. You will be kept busy performing your part in the game.

Hurry up even if you are tired; do not slow down. If you cannot stand the pace get yourself into better condition. Football is a strenuous game.

Hurry up and master the rules of the game. How do you expect to play the game properly if you are not familiar with the rules? Lots of company in this fault is no excuse for you.

Hurry up and be on time for practice, and all other meetings of the players. If you cannot be there promptly, turn in your suit. You do not have the proper interest.

Hurry up and obey the decisions of the officials. They and not you have been selected to run the game.

ROBERT A. CHURTON.

R. A. Churton, who leaves tomorrow by the S. S. Moana for a vacation of six months, has attained considerable prominence in local athletic circles. He played "socket" for the Pacifics in 1902, when that club won the championship. In 1904 he played for the Maile Himaas, winners of the league cup for that year, and scored over fifty per cent. of their goals. He has also represented Honolulu on several occasions against visiting teams.

Churton was born in Wellington, New Zealand, and he played half-back for Suburbs A., the time they won the Rugby Third Grade championship of Australia. He was formerly an active member of the Auckland Swimming Club, winning several races and being looked upon by experts as the coming 200-yards champion.

His many friends unite in wishing him bon voyage, a pleasant vacation and a speedy return to Hawaii nei.

THE FOOTBALL FEVER.

The football fever is catching on and there is no saying where the thing will stop. Already the air is full of challenges and every sporting goods house in town is doing a thriving business in football supplies.

There is talk of a match, which, if arranged, will rival the big Thanksgiving Day game as a popular attraction.

The barbers and bartenders are contemplating having it out on the golden on November 30th and the rank and file of both professions are studying the Police Gazette more closely than ever.

Both sides have plenty of material in sight, but a likely line-up is as follows:

BARBERS.	BARTENDERS.
Positions.	R.E.
Soma	Harry Klemme
G. Taylor	W. Carlisle
Herman Fiehe	Al. Colburn
Manuel Pachute	Jim Thompson
John Santos	Otto Winkler
Joe Fernandez	"Pop" Simpson
Bill Chilton	Charlie Lambert
Harold Jeffs	Lawrence Dee
C. Biding	"Scotty" Meston
Manuel Botelle	Fred Kiley
Substitutes—Scully, J. Grimes, McPherson, Terry Keenan, H. Johnson, H. Trevenen, Mat Heffernan, "Bonnie" Lemon, Ches. Smith.	

The mixologists have a very heavy team, averaging 185 pounds but the tonorial artists should have no difficulty in scoring, being in the habit of touching down all the time.

The bartenders will, it is said, rely upon the high ball for their gains and are a shade the better favorites, but it is conceded that their opponents will draw first blood.

The position of quarter-back took a long time to fill, it being almost impossible to find a man on either side who ever made a noise like a quarter-back.

LA PALOMA ON

(By Wireless Telegraph.)

LAHAINA, November 15.—La Paloma left Lahaina for Honolulu at 4:30 this afternoon.

If the yachts left together on the homeward run and sail as they did going out, the crew of the Hawaii should eat breakfast in Honolulu while there is prospect of the La Paloma people being home in time for afternoon tea.

There is some talk of a game on Christmas Day between the butchers and the hackdrivers, the winners of the two games to play off for the amateur football championship of the Territory on New Year's Day.

The bootblacks and newsboys have yet to be heard from.

THANKSGIVING DAY TENNIS

There will be Thanksgiving Day tennis this year on what promises to be quite an elaborate scale.

The Beretania Tennis Club is arranging a handicap tournament wherein all players will have a chance of winning.

The class will be men's singles and the games will commence at 8 a. m. and continue until all the matches have been played and the winner named.

The entrants will be divided into four classes and all players will be handicapped to be upon the same level.

A small entrance fee will be charged to defray expenses, such as balls, etc. Lunch will be served on the ground and a large attendance of the general public is anticipated, as the Beretania Tennis Club has an enviable reputation for entertaining and is certain to
